- 12. Pray for the persecuted church** – ‘BIG BROTHER’ INVADES CHURCH IN CHINA In March, authorities in Zhejiang Province ordered all churches to be fitted with surveillance cameras. In Wenzhou, church property has been damaged and parishioners injured and arrested as cameras have been installed by force. Unable to resist the installations, some churches are disconnecting or redirecting cameras. The government claims the cameras are for security, but most are not convinced. China’s 13th Five-Year Plan (2016-2020) includes a plan to implement a ‘social credit system’ based largely on data collected from the myriad of surveillance cameras currently being rolled out nationwide. As every Chinese citizen over 16 has a government-issued photo ID card, these cameras, armed with sophisticated facial recognition software, will enable the government to reward its ‘friends’ and punish its ‘enemies’. Please pray for China and the Chinese Church.
