9. **Pray for Persecuted Church – WAR COMES TO CHIN AND KAYAH STATES IN BURMA (MYANMAR)**

Unlike the Kachin and Karen, neither the Chin of Chin State (85 percent Christian) nor the various tribes of Kayah/Karenni State (49 percent Christian) have an army. Instead, volunteers armed with crude weapons defend their people against unprovoked attacks. In response the junta has unleashed overwhelming military violence. Since mid-May some 40,000 predominantly Christian ethnic Chin have been displaced as the military expands its brutal war. Most of the displaced are in the forest without food, medicines or shelter. Meanwhile, up to 100,000 civilians have been displaced in Kayah/Karenni State. Churches, monasteries and camps housing the displaced have been attacked with heavy artillery. Tens of thousands are now in the forest without food, medicines or shelter as the junta blocks aid as the rainy season sets in. *Please pray.*
